

Expert by Experience (EXE) Vacancies in CQC Inspections – WITHIN GREATER LONDON AND SOUTH

What is an Expert by Experience?

An Expert by Experience is someone who takes part in Care Quality Commission (CQC) inspections to help the inspector find out about the quality of a service. Because EXEs have first hand experience of services, they often have great insight and know what questions to ask people to find out what a service is like.

Is this you?

We want to hear from people who have used – or have a family member who has used – health and/or adult social care services within the past 5 years. Get in touch with us if you have this experience and would like to get involved in the inspection of health and care services. You don't need to have formal qualifications or professional experience (although you may have this too!). What is more important is personal insight and a desire to talk to people to find out about their experiences of receiving a service.

You will receive

We will offer you a full package of support including training, payment and ongoing support. We are a support organisation *working in partnership* with Remploy

To Express Your Interest in being an EXE

Text/Call Reeta Ram on 07956 833 659 or email reeta@dementiapartners.com
