(1A) If that professional is—

- (a) satisfied that such an application ought to be made in respect of the patient; and
- (b) of the opinion, having regard to any wishes expressed by relatives of the patient or any other relevant circumstances, that it is necessary or proper for the application to be made by him,

he shall make the application.

(1B) Subsection (1C) below applies where—

- (a) a local social services authority makes arrangements under subsection (1) above in respect of a patient;
- (b) an application for admission for assessment is made under subsection (1A) above in respect of the patient;
- (c) while the patient is liable to be detained in pursuance of that application, the authority have reason to think that an application for admission for treatment may need to be made in respect of the patient; and
- (d) the patient is not within the area of the authority.

(1C) Where this subsection applies, subsection (1) above shall be construed as requiring the authority to make arrangements under that subsection in place of the authority mentioned there.

(2) Before making an application for the admission of a patient to hospital an approved mental health professional shall interview the patient in a suitable manner and satisfy himself that detention in a hospital is in all the circumstances of the case the most appropriate way of providing the care and medical treatment of which the patient stands in need.

(3) An application under subsection (1A) above may be made outside the area of the local social services authority on whose behalf the approved mental health professional is considering the patient's case.

(4) It shall be the duty of a local social services authority, if so required by ~~the nearest relative~~ the nominated person of a patient residing in their area, to make arrangements under subsection (1) above for an approved mental health professional to consider the patient's case with a view to making an application for his admission to hospital; and if in any such case that professional decides not to make an application he shall inform ~~the nearest relative~~ the nominated person of his reasons in writing.

(5) Nothing in this section shall be construed as authorising or requiring an application to be made by an approved mental health professional in contravention of the provisions of section 11(4) above or of regulations under section 12A, or as restricting the power of a local social services authority to make arrangements with an approved mental health professional to consider a patient's case or of an approved mental health professional to make any application under this Act.

14

Where a patient is admitted to a hospital in pursuance of an application (other than an emergency application) made under this Part of this Act by his ~~nearest relative~~ nominated person, the managers of the hospital shall as soon as practicable give notice of that fact to the local social services authority for the area in which the patient resided immediately before his admission; and that authority shall as soon as practicable arrange for an approved mental health professional . . . to interview the patient and provide the managers with a report on his social circumstances.

15 Rectification of applications and recommendations.

(1) If within the period of 14 days beginning with the day on which a patient has been admitted to a hospital in pursuance of an application for admission for assessment or for treatment the application, or any medical recommendation given for the purposes of the application, is found to be in any respect incorrect or defective, the application or recommendation may, within that period and with the consent of the managers of the hospital, be amended by the person by whom it was signed; and upon such amendment being made the application or recommendation shall have effect and shall be deemed to have had effect as if it had been originally made as so amended.

- (2) Without prejudice to subsection (1) above, if within the period mentioned in that subsection it appears to the managers of the hospital that one of the two medical recommendations on which an application for the admission of a patient is founded is insufficient to warrant the detention of the patient in pursuance of the application, they may, within that period, give notice in writing to that effect to the applicant; and where any such notice is given in respect of a medical recommendation, that recommendation shall be disregarded, but the application shall be, and shall be deemed always to have been, sufficient if—
- (a) a fresh medical recommendation complying with the relevant provisions of this Part of this Act (other than the provisions relating to the time of signature and the interval between examinations) is furnished to the managers within that period; and
 - (b) that recommendation, and the other recommendation on which the application is founded, together comply with those provisions.
- (3) Where the medical recommendations upon which an application for admission is founded are, taken together, insufficient to warrant the detention of the patient in pursuance of the application, a notice under subsection (2) above may be given in respect of either of those recommendations. . .
- (4) Nothing in this section shall be construed as authorising the giving of notice in respect of an application made as an emergency application, or the detention of a patient admitted in pursuance of such an application, after the period of 72 hours referred to in section 4(4) above, unless the conditions set out in paragraphs (a) and (b) of that section are complied with or would be complied with apart from any error or defect to which this section applies.

17 Leave of absence from hospital.

- (1) The responsible clinician may grant to any patient who is for the time being liable to be detained in a hospital under this Part of this Act leave to be absent from the hospital subject to such conditions (if any) as that clinician considers necessary in the interests of the patient or for the protection of other persons.
- (2) Leave of absence may be granted to a patient under this section either indefinitely or on specified occasions or for any specified period; and where leave is so granted for a specified period, that period may be extended by further leave granted in the absence of the patient.
- (2A) But longer-term leave may not be granted to a patient unless the responsible clinician first considers whether the patient should be dealt with under section 17A instead.
- (2B) For these purposes, longer-term leave is granted to a patient if—
- (a) leave of absence is granted to him under this section either indefinitely or for a specified period of more than seven consecutive days; or
 - (b) a specified period is extended under this section such that the total period for which leave of absence will have been granted to him under this section exceeds seven consecutive days.

- (4) In any case where a patient is absent from a hospital in pursuance of leave of absence granted under this section, and it appears to the responsible clinician that it is necessary so to do in the interests of the patient's health or safety or for the protection of other persons, that clinician may, subject to subsection (5) below, by notice in writing given to the patient or to the person for the time being in charge of the patient, revoke the leave of absence and recall the patient to the hospital.
- (5) A patient to whom leave of absence is granted under this section shall not be recalled under subsection (4) above after he has ceased to be liable to be detained under this Part of this Act; . . .
- (6) Subsection (7) below applies to a person who is granted leave by or by virtue of a provision—
- in force in Scotland, Northern Ireland, any of the Channel Islands or the Isle of Man; and
 - corresponding to subsection (1) above.
- (7) For the purpose of giving effect to a direction or condition imposed by virtue of a provision corresponding to subsection (3) above, the person may be conveyed to a place in, or kept in custody or detained at a place of safety in, England and Wales by a person authorised in that behalf by the direction or condition.

17A Community treatment orders

- (1) The responsible clinician may by order in writing discharge a detained patient from hospital subject to his being liable to recall in accordance with section 17E below.
- (2) A detained patient is a patient who is liable to be detained in a hospital in pursuance of an application for admission for treatment.
- (3) An order under subsection (1) above is referred to in this Act as a "community treatment order".
- (4) The responsible clinician may not make a community treatment order unless—

 - ~~an approved mental health professional states in writing—~~
 - ~~that he agrees with that opinion; and~~
 - ~~that it is appropriate to make the order.~~

- (e) it is necessary that the responsible clinician should be able to exercise the power under section 17E(1) to recall the patient to hospital, and
- (f) appropriate medical treatment is available for the patient.”

Commented [RKA21]: Clause 4

- (6) In determining whether the criterion in subsection (5)(~~de~~) above is met, the responsible clinician shall, in particular, consider, having regard to the patient's history of mental disorder and any other relevant factors, what risk there would be of a deterioration of the patient's condition if he were not detained in a hospital (as a result, for example, of his refusing or neglecting to receive the medical treatment he requires for his mental disorder).

- (7) In this Act—

“community patient” means a patient in respect of whom a community treatment order is in force;

“the community treatment order”, in relation to such a patient, means the community treatment order in force in respect of him; and

“the responsible hospital”, in relation to such a patient, means the hospital in which he was liable to be detained immediately before the community treatment order was made, subject to section 19A below.

17AA Community treatment orders: role of nominated person

- (1) Before the responsible clinician makes a community treatment order in respect of a patient who appears to have a nominated person, the responsible clinician must consult that person.
- (2) But the consultation requirement imposed by subsection (1) does not apply if it appears to the responsible clinician that consultation—
 - (a) is not reasonably practicable, or
 - (b) would involve unreasonable delay.
- (3) A patient's nominated person may object to the making of a community treatment order by notifying the responsible clinician.
- (4) Where the nominated person objects under subsection (3), the community treatment order may not be made unless the responsible clinician certifies in writing that—
 - (a) in the opinion of the responsible clinician, the patient should be discharged from hospital, and

- (b) the patient, if so discharged without a community treatment order being in force, would be likely to act in a manner that is dangerous to other persons or to the patient

17B Conditions to be included in community treatment orders

Commented [RKA23]: Clause 24

- (1) A community treatment order shall specify conditions to which the patient is to be subject while the order remains in force.
- (2) But, subject to subsection (3) below, the order may specify conditions only if the responsible clinician, with the agreement of the approved mental health professional mentioned in section 17A(4)(b) above relevant professionals, thinks them necessary or appropriate for one or more of the following purposes—
 - (a) ensuring that the patient receives medical treatment;
 - (b) preventing risk of harm to the patient's health or safety;
 - (c) protecting other persons.
- (3) The order shall specify—
 - (a) a condition that the patient make himself available for examination under section 20A below; and
 - (b) a condition that, if it is proposed to give a certificate under Part 4A of this Act that falls within section 64C(4) below in his case, he make himself available for examination so as to enable the certificate to be given.
- (4) The responsible clinician may from time to time by order in writing vary the conditions specified in a community treatment order.
- (5) He may also suspend any conditions specified in a community treatment order.

Commented [RKA25]: Clause 20

(5A) Where the responsible clinician is not the community clinician, the responsible clinician must consult the community clinician before varying or suspending conditions specified in a community treatment order, unless consultation would involve unreasonable delay.

Commented [RKA26]: Clause 19

- (6) If a community patient fails to comply with a condition specified in the community treatment order by virtue of subsection (2) above, that fact may be taken into account for the purposes of exercising the power of recall under section 17E(1) below.
- (7) But nothing in this section restricts the exercise of that power to cases where there is such a failure.

(8) In this section “the relevant professionals” means—

- (a) the approved mental health professional making the statement required by section 17A(4)(b), and
- (b) where section 17A(4)(c) applies, the community clinician.

Commented [RKA27]: Clause 19

17C Duration of community treatment order

A community treatment order shall remain in force until—

- (c) the period mentioned in section 20A(1) below (as extended under any provision of this Act) expires, but this is subject to sections 21 and 22 below;
 - (d) the patient is discharged in pursuance of an order under section 23 below or a direction under section 72 below;
 - (e) the application for admission for treatment in respect of the patient otherwise ceases to have effect; or
 - (f) the order is revoked under section 17F below,
- whichever occurs first.

17D Effect of community treatment order

- (1) The application for admission for treatment in respect of a patient shall not cease to have effect by virtue of his becoming a community patient.
- (2) But while he remains a community patient—
 - (a) the authority of the managers to detain him under section 6(2) above in pursuance of that application shall be suspended; and
 - (b) reference (however expressed) in this or any other Act, or in any subordinate legislation (within the meaning of the Interpretation Act 1978), to patients liable to be detained, or detained, under this Act shall not include him.
- (3) And section 20 below shall not apply to him while he remains a community patient.
- (4) Accordingly, authority for his detention shall not expire during any period in which that authority is suspended by virtue of subsection (2)(a) above.

17E Power to recall to hospital

- (1) The responsible clinician may recall a community patient to hospital if in his opinion—
 - (a) the patient requires medical treatment in hospital for his ~~mental~~ psychiatric disorder; and
 - (b) there would be a risk of harm to the health or safety of the patient or to other persons if the patient were not recalled to hospital for that purpose.
- (2) The responsible clinician may also recall a community patient to hospital if the patient fails to comply with a condition specified under section 17B(3) above.
- (2A) Where the responsible clinician is not the community clinician, the responsible clinician must consult the community clinician before recalling a community patient to hospital, unless consultation would involve unreasonable delay.
- (3) The hospital to which a patient is recalled need not be the responsible hospital.
- (4) Nothing in this section prevents a patient from being recalled to a hospital even though he is already in the hospital at the time when the power of recall is exercised; references to recalling him shall be construed accordingly.
- (5) The power of recall under subsections (1) and (2) above shall be exercisable by notice in writing to the patient.
- (6) A notice under this section recalling a patient to hospital shall be sufficient authority for the managers of that hospital to detain the patient there in accordance with the provisions of this Act.

Commented [RKA29]: Clause 19

17F Powers in respect of recalled patients

- (1) This section applies to a community patient who is detained in a hospital by virtue of a notice recalling him there under section 17E above.
- (2) The patient may be transferred to another hospital in such circumstances and subject to such conditions as may be prescribed in regulations made by the Secretary of State (if the hospital in which the patient is detained is in England) or the Welsh Ministers (if that hospital is in Wales).
- (3) If he is so transferred to another hospital, he shall be treated for the purposes of

this section (and section 17E above) as if the notice under that section were a notice recalling him to that other hospital and as if he had been detained there from the time when his detention in hospital by virtue of the notice first began.

- (4) The responsible clinician may by order in writing revoke the community treatment order if—
- (a) in his opinion, the conditions mentioned in section 3(2) above are satisfied in respect of the patient; and
 - (b) an approved mental health professional states in writing—
 - (i) that he agrees with that opinion; and
 - (ii) that it is appropriate to revoke the order.
- (4A) Where the responsible clinician is not the community clinician, the responsible clinician must consult the community clinician before revoking a community treatment order, unless consultation would involve unreasonable delay.
- (5) The responsible clinician may at any time release the patient under this section, but not after the community treatment order has been revoked.
- (6) If the patient has not been released, nor the community treatment order revoked, by the end of the period of 72 hours, he shall then be released.
- (7) But a patient who is released under this section remains subject to the community treatment order.
- (8) In this section—
- (a) “the period of 72 hours” means the period of 72 hours beginning with the time when the patient's detention in hospital by virtue of the notice under section 17E above begins; and
 - (b) references to being released shall be construed as references to being released from that detention (and accordingly from being recalled to hospital).

Commented [RKA30]: Clause 19

17G Effect of revoking community treatment order

- (1) This section applies if a community treatment order is revoked under section 17F above in respect of a patient.
- (2) Section 6(2) above shall have effect as if the patient had never been discharged from hospital by virtue of the community treatment order.
- (3) The provisions of this or any other Act relating to patients liable to be detained (or detained) in pursuance of an application for admission for treatment shall apply to the patient as they did before the community treatment order was made, unless otherwise provided.
- (4) If, when the order is revoked, the patient is being detained in a hospital other than the responsible hospital, the provisions of this Part of this Act shall have effect as if—
- (a) the application for admission for treatment in respect of him were an application for admission to that other hospital; and
 - (b) he had been admitted to that other hospital at the time when he was originally admitted in pursuance of the application.
- (5) But, in any case, section 20 and section 68 below shall have effect as if the patient had been admitted to hospital in pursuance of the application for admission for treatment on the day on which the order is revoked.

he may, subject to the provisions of this section, be taken into custody and returned to the hospital or place by any approved mental health professional, by any officer on the staff of the hospital, by any constable, or by any person authorised in writing by the managers of the hospital.

- (2) Where the place referred to in paragraph (c) of subsection (1) above is a hospital other than the one in which the patient is for the time being liable to be detained, the references in that subsection to an officer on the staff of the hospital and the managers of the hospital shall respectively include references to an officer on the staff of the first-mentioned hospital and the managers of that hospital.

- (2A) Where a community patient is at any time absent from a hospital to which he is recalled under section 17E above, he may, subject to the provisions of this section, be taken into custody and returned to the hospital by any approved mental health professional, by any officer on the staff of the hospital, by any constable, or by any person authorised in writing by the responsible clinician or the managers of the hospital.

- (3) Where a patient who is for the time being subject to guardianship under this Part of this Act absents himself without the leave of the guardian from the place at which he is required by the guardian to reside, he may, subject to the provisions of this section, be taken into custody and returned to that place by any officer on the staff of a local social services authority, by any constable, or by any person authorised in writing by the guardian or a local social services authority.

- (4) A patient shall not be taken into custody under this section after the later of—

- (a) the end of the period of six months beginning with the first day of his absence without leave; and
- (b) the end of the period for which (apart from section 21 below) he is liable to be detained or subject to guardianship or, in the case of a community patient, the community treatment order is in force ;

- (4B) Similarly, in determining for those purposes whether a community treatment order is at any time in force in respect of a person who is or has been absent without leave, a report furnished under section 20A or 21B below before the first day of his absence without leave shall not be taken to have extended the community treatment period unless the extension began before that day.

- (5) A patient shall not be taken into custody under this section if the period for which he is liable to be detained is that specified in section 2(4), 4(4) or 5(2) or (4) above and that period has expired.

- (6) In this Act “absent without leave” means absent from any hospital or other place and liable to be taken into custody and returned under this section, and related expressions shall be construed accordingly.

- (7) In relation to a patient who has yet to comply with a requirement imposed by virtue of this Act to be in a hospital or place, references in this Act to his liability to be returned to the

 - (b) in the case of a patient who is liable to be detained in a hospital by virtue of such an application and is transferred into guardianship, as if the application were a guardianship application duly accepted at the said time;

- (1A) In the case of an offence the sentence for which would otherwise fall to be imposed under section 258, 268A, 273, 274, 282A, 283 or 285 of the Sentencing Code or under Chapter 7 of Part 10 of that Code, nothing in those provisions shall prevent a court from making an order under subsection (1) above for the admission of the offender to a hospital.
- (1B) For the purposes of subsection (1A) above—
 - (a) a sentence falls to be imposed under section 258 of the Sentencing Code if the court is obliged by that section to pass a sentence of detention for life under section 250 of that Code;

- (2) The conditions referred to in subsection (1) above are that—
- (a) the court is satisfied, on the written or oral evidence of two registered medical practitioners, that the offender is suffering from mental relevant disorder and that either—
 - (i) the mental relevant disorder from which the offender is suffering is of a nature or degree which makes it appropriate for him to be detained in a hospital for medical treatment and appropriate medical treatment is available for him; or
 - (ii) in the case of an offender who has attained the age of 16 years, the mental relevant disorder is of a nature or degree which warrants his reception into guardianship under this Act; and
 - (b) the court is of the opinion, having regard to all the circumstances including the nature of the offence and the character and antecedents of the offender, and to the other available methods of dealing with him, that the most suitable method of disposing of the case is by means of an order under this section.
- (3) Where a person is charged before a magistrates' court with any act or omission as an offence and the court would have power, on convicting him of that offence, to make an order under subsection (1) above in his case . . . , then, if the court is satisfied that the accused did the act or made the omission charged, the court may, if it thinks fit, make such an order without convicting him.
- (4) An order for the admission of an offender to a hospital (in this Act referred to as "a hospital order") shall not be made under this section unless the court is satisfied on the written or oral evidence of the approved clinician who would be nominated by the managers of the hospital to have overall responsibility for his case or of some other person representing the managers of the hospital that arrangements have been made for his admission to that hospital. . . , and for his admission to it within the period of 28 days beginning with the date of the making of such an order; and the court may, pending his admission within that period, give such directions as it thinks fit for his conveyance to and detention in a place of safety.
- (5) If within the said period of 28 days it appears to the Secretary of State that by reason of an emergency or other special circumstances it is not practicable for the patient to be received into the hospital specified in the order, he may give directions for the admission of the patient to such other hospital as appears to be appropriate instead of the hospital so specified; and where such directions are given—
- (a) the Secretary of State shall cause the person having the custody of the patient to be informed, and
 - (b) the hospital order shall have effect as if the hospital specified in the directions were substituted for the hospital specified in the order.
- (6) An order placing an offender under the guardianship of a local social services authority or of any other person (in this Act referred to as "a guardianship order") shall not be made under this section unless the court is satisfied that that authority or person is willing to receive the offender into guardianship.
- (7)
- (8) Where an order is made under this section, the court shall not—
- (a) pass sentence of imprisonment or impose a fine or make a community order (within the meaning given by section 200 of the Sentencing Code) or a youth rehabilitation order (within the meaning given by section 173 of that Code) in respect of the offence,

- (1) Where a person is convicted before the Crown Court of an offence punishable with imprisonment (other than an offence the sentence for which is fixed by law) or is convicted by a magistrates' court of an offence punishable on summary conviction with imprisonment and the court before or by which he is convicted is satisfied, on the written or oral evidence of two registered medical practitioners—

Restriction orders

41 Power of higher courts to restrict discharge from hospital.

(1) Where a hospital order is made in respect of an offender by the Crown Court, and it appears to the court, having regard to the nature of the offence, the antecedents of the offender and the risk of his committing further offences if set at large, that it is necessary for the protection of the public from serious harm so to do, the court may, subject to the provisions of this section, further order that the offender shall be subject to the special restrictions set out in this section . . . ; and an order under this section shall be known as “a restriction order”.

(2) A restriction order shall not be made in the case of any person unless at least one of the registered medical practitioners whose evidence is taken into account by the court under section 37(2)(a) above has given evidence orally before the court.

(3) The special restrictions applicable to a patient in respect of whom a restriction order is in force are as follows—

- (a) none of the provisions of Part II of this Act relating to the duration, renewal and expiration of authority for the detention of patients shall apply, and the patient shall continue to be liable to be detained by virtue of the relevant hospital order until he is duly discharged under the said Part II or absolutely discharged under section 42, 73, 74 or 75 below;

- and in relation to any such patient section 40(4) above shall have effect as if it referred to Part II of Schedule 1 to this Act instead of Part I of that Schedule.
- (4) A hospital order shall not cease to have effect under section 40(5) above if a restriction order in respect of the patient is in force at the material time.
 - (5) Where a restriction order in respect of a patient ceases to have effect while the relevant hospital order continues in force, the provisions of section 40 above and Part I of Schedule 1 to this Act shall apply to the patient as if he had been admitted to the hospital in pursuance of a hospital order (without a restriction order) made on the date on which the restriction order ceased to have effect.
-
- (6) While a person is subject to a restriction order the responsible clinician shall at such intervals (not exceeding one year) as the Secretary of State may direct examine and report to the Secretary of State on that person; and every report shall contain such particulars as the Secretary of State may require.

- (2) At any time while a restriction order is in force in respect of a patient, the Secretary of State may, if he thinks fit, by warrant discharge the patient from hospital, either absolutely or subject to conditions; and where a person is absolutely discharged under this subsection, he shall thereupon cease to be liable to be detained by virtue of the relevant hospital order, and the restriction order shall cease to have effect accordingly.

(2A) Conditions amounting to a deprivation of a patient's liberty may be imposed under subsection (2) if the Secretary of State is satisfied that those conditions are necessary for the protection of the public from serious harm.

- (3) The Secretary of State may at any time during the continuance in force of a restriction order in respect of a patient who has been conditionally discharged under subsection (2) above by warrant recall the patient to such hospital as may be specified in the warrant.
- (4) Where a patient is recalled as mentioned in subsection (3) above—
 - (a) if the hospital specified in the warrant is not the hospital from which the patient was conditionally discharged, the hospital order and the restriction order shall have effect as if the hospital specified in the warrant were substituted for the hospital specified in the hospital order;

Commented [RKA83]: Clause 30

- (6) The Secretary of State may, if satisfied that the attendance at any place in Great Britain of a patient who is subject to a restriction order is desirable in the interests of justice or for the purposes of any public inquiry, direct him to be taken to that place; and where a patient is directed under this subsection to be taken to any place he shall, unless the Secretary of State otherwise directs, be kept in custody while being so taken, while at that place and while being taken back to the hospital in which he is liable to be detained.

 - (a) the conditions which under section 37(1) above are required to be satisfied for the making of a hospital order are satisfied in respect of the offender; but
 - (b) it appears to the court, having regard to the nature of the offence, the antecedents of the offender and the risk of his committing further offences if set at large, that if a hospital order is made a restriction order should also be made,
 the court may, instead of making a hospital order or dealing with him in any other manner, commit him in custody to the Crown Court to be dealt with in respect of the offence.
- (2) Where an offender is committed to the Crown Court under this section, the Crown Court shall inquire into the circumstances of the case and may—
 - (a) if that court would have power so to do under the foregoing provisions of this Part of this Act upon the conviction of the offender before that court of such an offence as is described in section 37(1) above, make a hospital order in his case, with or without a restriction order;
 - (b) if the court does not make such an order, deal with the offender in any other manner in which the magistrates' court might have dealt with him.
- (3) The Crown Court shall have the same power to make orders under sections 35, 36 and 38 above in the case of a person committed to the court under this section as the Crown Court has under those sections in the case of an accused person within the meaning of section 35 or 36 above or of a person convicted before that court as mentioned in section 38 above.
- (4) The powers of a magistrates' court under section 14, 16 or 16A of the Sentencing Code (which enable such a court to commit an offender to the Crown Court where the court is of the opinion, or it appears to the court, as mentioned in the section in question) shall also be exercisable by a magistrates' court where it is of that opinion (or it so appears to it) unless a hospital order is made in the offender's case with a restriction order.
- (5) The power of the Crown Court to make a hospital order, with or without a restriction order, in the case of a person convicted before that court of an offence may, in the same circumstances and subject to the same conditions, be exercised by such a court in the case of a person committed to the court under section 5 of the Vagrancy Act 1824 (which provides for the committal to the Crown Court of persons who are incorrigible rogues within the meaning of that section).

44 Committal to hospital under s. 43.

- (1) Where an offender is committed under section 43(1) above and the magistrates' court by which he is committed is satisfied on written or oral evidence that arrangements have been made for the admission of the offender to a hospital in the event of an order being made under this section, the court may, instead of committing him in custody, by order direct him to be admitted to that hospital, specifying it, and to be detained there until the case is disposed of by the Crown Court, and may give such directions as it thinks fit for this production from the hospital to attend the Crown Court by which his case is to be dealt with.
- (2) The evidence required by subsection (1) above shall be given by the approved clinician who would be nominated by the managers of the hospital to have overall responsibility for the offender's case or by some other person representing the managers of the hospital in question.
- (3) The power to give directions under section 37(4) above, section 37(5) above and section 40(1) above shall apply in relation to an order under this section as they apply in relation to a hospital order, but as if references to the period of 28 days mentioned in section 40(1) above were omitted; and subject as aforesaid an order under this section shall, until the offender's case is disposed of by the Crown Court, have the same effect as a hospital order together with a restriction order

(7) Where such instructions are given—

(6) Subsections (3) to ~~(5)~~ (9) of section 73 above shall have effect in relation to this section as they have effect in relation to that section, taking references to the relevant hospital order and the restriction order as references to the hospital direction and the limitation direction or, as the case may be, to the transfer direction and the restriction direction.
